Summary

The Connecticut Team Championship Invitational is an amateur team event, challenging golf clubs throughout Connecticut to compete against each other, making it the ultimate Team Championship event. The Championship is a one-day stroke play team event, consisting of both Gross and Net players from local golf clubs. The event by invitation only for both private and public courses and all team members must represent the same club.

The team with the lowest combined Gross and Net score will be declared **Connecticut Team Champion**, the best club in the state.

Teams

Invited private and public golf clubs that are members of the Connecticut State Golf Association can field a team to represent their club to compete in the championship. The event is limited to 120 players.
