

Rockledge Men's Club

New Online Membership & Sponsor Registration in Golf Genius

Many thanks to Josh Moses for subscribing to the full version of Golf Genius (the software Rockledge has been using to run events). There are many new features that will enhance our golf experience this year.

We have now added an online membership and sponsor registration page to the Rockledge Men's Club Golf Genius Directory. You now have the option to use the directory to complete your annual RMC membership/sponsor registration information, and to pay your dues using a credit or debit card online.

This is an easy to use and speedy means to complete your registration.

- Membership/Sponsor Registration can still be completed using the forms on the RMC website and pay by check.
- ***DO NOT register online if you have registered by form and check!***
- Online you will select the type of membership, complete the normal registration information, and pay your membership fee with a credit or debit card.
- If you are a first-time registrant, the system will prompt you for your email and a password after the registration information page. Enter your email and the password that you want to use. The system will save that. A bit confusing, you should not need to do the forgot password routine.
- Your registration information will not be saved unless payment is complete.
- You can later go back and update your registration information should you change your email, address, phone etc.
