

Rockledge Men's Club

February 23, 2023

Welcome to Rockledge Men's Club 2023!

To my Fellow RMC Members,

The Board of Directors have been meeting and are well on the way to setting this year's season in motion.

The Town of West Hartford Leisure Services department is seeking solutions to improve revenues at the Rockledge Golf Course. As such, the volume of Rockledge Men's Club events has come under scrutiny as a deterrent to public access and potential revenue.

Our Rockledge Pro, Andrew Killoran, has been working with our Tournament Committee, Board of Directors, and Leisure Services to set our [2023 Tournament Schedule](#), reducing the number of events from 27 to 23. The schedule maintains our major events and championships, our monthly ABCD events and Ryder Cup, and many good individual and team challenges.

Speaking with some of our longtime members, I believe the purpose and presence of the Men's Club is very important to Rockledge's character and success. I'm reminded of the core values of Rockledge Men's Club:

- To promote competitive golf within the guidelines set forth by CSGA & USGA.
- To be stewards of the game of golf, and to promote enjoyable experiences for golfers of all ages and all skill levels.
- To be caretakers of "Our" Rockledge Golf Course, not only caring for the amazing course conditions created by Tim Nadeau and his Green Keepers Crew, but also the standard of Rockledge being known throughout the State of Connecticut as the "Best Municipal Golf Course".

Our Rockledge Men's Club Members and Sponsors are an excellent community, creating great recreational, learning, and fellowship opportunities attracting members and guests from West Hartford and surrounding towns.

I would thank all our Sponsors for supporting the RMC in 2022. Your support is valued, and we look forward to a great 2023 season.

Be sure to link to our [RMC Webpage](#) for information and updates. 2023 Membership and Sponsor registration forms are now available.

As we embark on a new season, I look forward to the Rockledge Golf Course and Rockledge Men's Club continuing to show the rest Connecticut, why the "Rock" is the best place for Golf.

May you drives be straight, and your putts be few,

Jeff Cunningham
