

Rockledge Men's Club

March 10, 2022

Almost Ready!

Hello RMC Members and Prospective members:

Hopefully in less than 4 weeks we will be hitting the ball once more. Personally, I can't wait. Lots to discuss and bring you up to date, see below.

Forms for RMC [membership](#) and [sponsorship](#) are on our website. There is no increase in dues or sponsorship pricing for 2022.

2021 Rockledge CSGA GHIN Handicaps will be expired April 1, and 2022 GHIN's will be registered for RMC members who have registered for 2022. Your GHIN number remains the same year to year. The CT GHIN season runs from April 1 through November 14th.

Rockledge Pro Andrew Killoran will be in the shop 10a to 1p Monday through Friday over the next couple of weeks. This is a great time to stop by and purchase your season pass and order equipment.

Andrew has hired a new assistant pro, Josh Moses, who will be starting next week.

The [Rockledge Golf Course](#) website has been updated with the 2022 rates. There is a slight increase in this year's rates, primarily to provide support for the course's capital projects. Carts currently are priced the same as last year but may increase due to gas pricing.

Superintendent Tim Nadeau and the grounds crew are actively working on many improvements including: #11 sand trap, #12 tee, dredging #8 and #9 ponds and replacing the bridge between them, and repairing #12 and #16 greens.

The RMC Board thanks all of you for making us one of if not the best men's club in the state! If any of you would like to become more involved with the board, our different committees can use the help. Get in touch with me and I will connect you to the correct person to assist. Please share and invite your friends to join us.

Thank you from your board,

Joe Waxman 860-570-1131
President, Rockledge Men's Club

See you at the Rock!
